

What is it?

EziDebit is a direct deposit payment plan. Payments are direct debited on a **monthly** basis.

What can it be used for?

Ezidebit can be used to cover the cost of your program only (this option can not be used for testing or supplements). Ezidebit can be used by Australian-based patients only.

What is the process?

1. Following your initial appointment, indicate that you'd like to use EziDebit and our clinical support team will set up your plan
2. **Your first payment will be 40%** of your total invoice, with the remaining payments to be paid over 3 monthly instalments
3. Your first payment will be direct debited within two business days from your initial appointment

Payment Breakdown:

1st payment (40% \$5820.00) = \$2328.00

2nd payment = \$1164.00

3rd payment = \$1164.00

4th payment = \$1164.00

Please note:

- If you miss a payment, there is a failed payment fee of \$9.90
- The service fees are:
 - 2.49% for Visa/Mastercard
 - 3.20% for AMEX
 - \$1.57 for bank account transaction
- Debits can be made using either a **credit card or bank account**
